JMA Solutions provides curriculum development, instruction, e-learning development, course logistics and hands-on training programs. Available both domestically and internationally, our courses provide participants with the knowledge, skills and abilities to achieve their professional goals, objectives and competencies. We pride ourselves on providing experienced instructors and Subject Matter Experts (SMEs) to support both the public and private sectors. We execute our training strategy by analyzing, designing, developing, implementing and evaluating programs that best fit our clients' needs.

Training Support Services Include:

- Experienced Instructors, Facilitators and SMEs
- Curriculum Development for Instructor-led and Web-based Delivery
- Instructional Systems Design (ISD)
- State-of-the-Art Training Facilities
- Kirkpatrick's Training Evaluation: I, II, III
- Course Logistics

The services listed are available individually or as a package option.
